SBG CSI: Crime Scene Investigation Senses The Game - \$30

With all this cool stuff, going out would be a crime. So can staying in, with this multi-player board game. Race to collect three levels of evidence from all seven Crime Lab Divisions: Interrogation, Autopsy, Identification, Trace, Ballistics, Forensics, and DNA. Hughes rescued Vegas from criminals; now you and your friends can, too. www.playsbg.com

Xela Stimulating Spice Aromasticks (8 oz) - \$40

No one gets the girl when his TV/Game/Entertainment/Ballroom to smell of stale air. Create a sensation with clove and ginger, mixed with a little vanilla and cinnamon. Great for gatherings or just to set a romantic mood. She'll want to stay in just as much as you do. www.xelaaromasticks.com

Activision Tony Hawk's Project 8 and Downhill Jam - \$29.99 each

Well, with your toenails growing so long, it's a bit of a pain to actually skateboard, and those spills can easily turn into infected cuts, so feel free to board along with this pair of Tony Hawk games from Activision. *Project 8* pits you against some of the greatest skateboarders in the world, while *Downhill Jam* lets you shred downhill as you pull off high-velocity tricks and fight opponents in living, populated environments. Yeah, it's that much fun.

Activision Call of Duty 3 - \$29.99

Sure Hughes invented airplanes to fight in WWII, but you get to do so much more. In a new feature for the *Call of Duty* series, close-quarters battle mechanics bring you face-to-face with your enemy. Fight hand-to-hand, disarm traps, improvise explosive devices, and execute a host of other battlefield challenges that require cunning and swift reflexes. You may never leave home again. Oh, right.

Starbury Gear - (\$9.98 - \$14.98)

If you're gonna stay inside, stay in style. Perfect for sitting on the couch and gaming/watching movies, your velour sweat suit or track jacket/suit, t-shirt, and kicks will make you the envy of all your friends. Or at least those friends who still think a grown man who can't leave his house is normal. Clothing by Stephon Marbury, available exclusively at Steve & Barry's. www.starbury.com

LADIES MAN:

You're young, you're hip, you're rich, and you want to party. Invite over the whole gang. Make sure that special someone stays behind.

Anthony Gallo Acoustics A'Diva Ti 5.1 system - \$2814

It's about the sound. It's always about the sound. Featuring five K14 Ti's in stainless steel, four floor stands a table mount for the center channel, and a TR-2 subwoofer, everyone is bound to be impressed. Maybe not as impressed as if you'd set a world record for flying around the world, but pretty impressed, nonetheless. www.roundsound.com

Systemax Impact2 Mini-PC with dual-core processing - \$999.99

If Hughes were alive today, he would have invented this thing. Maybe. Fully loaded with Windows XP, an 80 gig hard drive, a DVDRW drive, and USB 2.0, this mini-PC is nothing short of, well, really cool. Not only will your friends love it, but you'll get to prove once and for all that sometimes bigger is not necessarily better. www.systemaxpc.com

iJoy Board - \$449.95

It's our firm belief that if you have the surfboard, you get the girls in bikinis. No matter the season, no matter the board sport, the motorized iJoy Board balance trainer keeps your legs fresh, toned and ready to carve the slopes, grind a rail or catch a wave. Just hop on and press a button on the infrared wireless remote control and experience the simulated motion of a snowboard, skateboard or surfboard in action. Bring the ocean to you so you don't have to go to the ocean. www.ijoy.com
